About the Guest Speaker:

Dr. Meier studied at University of St. Gallen where he received a doctoral degree in economics in 1982 and was a visiting scholar at Stanford University. At the Cantonal Bank of Zurich he was Chief Economist before he started to build up a modern asset management unit for institutional and private portfolios as well as mutual funds from 1992 to 1998 for the same bank. As CEO of Swissca Portfolio Management, Dr Meier was responsible for one of the larger Swiss institutional asset management companies.
